“ *Its so hard to say anything I am sorry for that I not only lost my father I lost my partner my roommate my company someone to lift me up when I was down the one person I could always call I don't have that now I don't have my best friend anymore James Robert Vaughn son.*

James Robert Vaughn - July 23, 2020 at 08:50 PM

I'm so very proud of the man my father was, I loved him even more than I realized, it's been almost 6 years ago now that he's been gone from my life but not my memory, every day first thing I think of is him, and of course my mom, the pain still feels like it happened yesterday, I don't think I'll ever fully recover that lose, 2020 was a horrible time for all, my heart goes out to everyone who lost their loved ones during Covid, facilities and hospitals had to pick and choose who was worth treating, I guess 87 year old patients was not a top priority,
