

## Roger William Schwalbert

June 12, 1958 - September 14, 2024

Roger William Schwalbert, 66, De Soto, Missouri, passed from his earthly home and entered Heaven's gates on September 14th, 2024, after a long battle with cancer. Born June 12th, 1958 in St. Louis, Missouri, the son of Robert P. Sr. and Jewell E. (Young) Schwalbert, who preceded him in death. He was an Operating Engineer and Dump Truck owner/operator who worked in the Asphalt Paving industry. Fair, honest and hardworking and always offered to help a friend or stranger, expecting nothing in return. He was an avid outdoorsman who enjoyed hunting, fishing, waterskiing and boating, his Harley and all things fast. He loved drag racing for many years and was known as "Shoe String" at 1-55 Raceway. He loved trail riding, training horses and taking his dog Blue for rides in the Side-by-Side. But his greatest love was for his family, especially his grandchildren, known to them as Papa. He is survived by his wife of 43 years; Lynn A. (Glier-Lambrich) Schwalbert. Three children; Selena K. Lambrich (Ben) Johnson of Imperial, Justin W. (Michelle) Lambrich of Imperial, and Michael A. (Jessica Mendez) Schwalbert of Webster Groves. Three siblings; Deborah K. Barbeau of Otto, Robert P. Jr. (Debra) Schwalbert of Hillsboro, and Timothy J. Schwalbert of Festus. His mother-in-law, Carol A. Rose of Festus, and many other family and friends. He was preceded in death by his brother Mitchell A. Schwalbert. A celebration of life will be held at a future date. Donations may be made to St. Jude's Children's Hospital in his honor.

“ Very few people would understand why I oddly love the smell of asphalt; but I have all my life. It is such a strong and distinct odor to bring a smile to someone's face, but it reminds me of you coming in the door after work as a young child; or even better yet, the special occasions I was allowed to go to work with you.

One of my very favorite things has always been your motorcycle. I started our rides in front of your lap as soon as a helmet would fit on my head, then I graduated to the back when I was old enough to hang on safely and later in life I got to ride beside you, Grandpa and my uncles on my own bike.

I don't think there is such a thing as a perfect Dad (or person), but you tried your best to get it right and without the decisions you made along the way, I would not be who I am today. To watch you go from Dad to Papa, I never have seen you so happy and joyous in your life. I will see you again Dad.

Your dash was one to be proud of.

Forever,
