“ *So many memories that we shared as friends and family. You were always the glue that held the family together, and such a devoted family man, you will be dearly missed. Bless you and your family*

“ *Ronald was the most supportive father in law I could have asked for entering the family at such a young age. He was intelligent yet quiet, but always made me laugh with his bluntness. He supported his family throughout the years endlessly. We are forever grateful for all his hard work and his lasting impression on our family. We love you Ronald and will think of you always!*

“ *Ron was my best friend long before he became my brother-in-Law. I've known Ron since 9th grade. We lived as neighbors but when my family moved we were over 5 miles apart and we'd walk to meet halfway then figure out what to do next.*
