“ Dear Lois, I was trying to connect again with friends I knew back in the 70s and just ran across Ron's Obit. So sorry for your loss but we both know we will see him in the Resurrection. Many years ago in Trenton, we had a coffeehouse ministry and I remember counseling him not to get married so soon to Karen Ebert, am glad He waited and married you as He talked about His family last time I saw him which was back in 2007 I believe. He was a good friend and Christian, and miss those times we had together.
