“ I am so sorry to hear about Rosie's passing. She and Pat were volunteering at Delmar Gardens when my godmother was a resident there. They became very good friends, and would often be sitting outside laughing together when we came to visit. She was a very special lady with a big smile and an even larger heart. Jeanette Brinkmann

I worked with Rose for many years at what we now all call Ramsey. she was always ready to help to get the job done. She was a very kind person, but would not hesitate to let you know her opinion. She informed me several times on matters where we disagreed.. But again a wonderful lady who will be missed. As my wife has said above we really enjoyed the time we spent with Rose and Pat at Delmar.
