“ I met Rosie when I was just 18yrs old. At the time my own Grandma had Alzheimer's. I'll never forget when Rosie hugged me tight and said if I didn't mind she'd be my Grandma too. From that moment on she was my Grandma. She was an incredible woman that was my rock when I needed her. I love you so much. My thoughts and prayers are with her family.

Love to you all,
Cathy

“ I could go on for days telling what I loved about my dear sweet Aunt but there is not enough space.

She and her sister Dollie were my moms Favorite. I think Mom and Rosie were the closest, and they welcomed Ralph into their favorites.

So many memories from childhood I just can't pick one. She was always so up to date with clothes. Always dressed so stylish. I loved that about her.

When anyone talked about her they said ,(the prettiest one) she was that inside and out.

I have so many memories of all us Cousins growing up on Blair every weekend. And how the Aunts watched over us all.

Rosie will be missed by all that knew and loved her.

I know I'll miss her terribly.
