“ Sarah is one of the nicest, loving, and most caring people I have ever had the pleasure of knowing. I remember seeing you years ago and we sat and talked for hours, it felt just like we were in high school again. You are an amazing person and I will remember you fondly always.

“ Sarah,

*I do not know what to say or think. It's hard to believe that such a strong person is gone. I remember you being 1 of you in the school you welcome to me was open arms and treated me like I was somebody. You made everyone feel like they matter. It felt like old times when I moved back home in 2005. That was because we laughed, we joked, and picked up right where we had left off. You made me feel like I was at home again, and I needed that. I'm not sure I ever had the chance to say thank you. Now I know that I will never be able to say it to you in person. I only hope that you can hear me now. You were kind, you were beautiful, you were funny, you were thoughtful, you were loved, and you were special. In my heart, and in the heart of many others you will continue to be all of those things. Words will never express how much we miss you and how much we love you. Rest in peace my dear friend.*

“ Where to start.. I am sorry for the pain u was in, Even tho I haven't seen u in a few years, I do remember the last chat we had on FB. I feel bad that we wasn't closer anymore. The times we had in High School was the memories I will cherish forever..Thanks for always being a Friend to me, we had such good times in class together and at our lunches, wow u was a true friend. I will miss everything about you..I wish there was more time to see the person I have known for a very long time..I am sorry I wasn't there to help you through this tough time Like i was in high school. You always knew how to brighten my day, and I always knew how to get u out of that dark hole u was in then.. I am heartbroken but I know god will take care of u and ur an angel now. I will see you again soon.. I will see u at the gate one day. peace be with u.. Love and Hugs..
