“ *I have many memories from childhood of Grandma B. and Grandpa B . From them stopping by in their RV while they were passing through , to us visiting their house in Cedar Hill (had a pool table in basement) . We never really lived close so our times together were more limited than others , but they always made sure we knew they loved us . I wish we could have been closer but even with the distance at times When they visited it was always good times with laughs and loads of love . One of my most memorable for me was the camping trip / family reunion we had at Lake of Ozarks state park many many yrs ago ... I wish I could have made it in person to visit before you left us . I'm so sorry. I wasn't able to make it , even though I know you understood . Rest In Peace Grandma .*
