“ I met Sallie in the beginnings of my real estate career. She had rehabbed a few properties in Benton Park probably more than I am aware of. I was always impressed with Sallie she was a can-do person. She was very creative and just the nicest. I came to an open house she invited me to and she was frying bacon and making scrambled eggs for everyone. She was always kind and willing to teach you about historic properties. I just found out she passed she was a wonderful person. My deepest condolences to all of her family and friends! Mona Parsley

“ I was around 6 years old when I met my new big sister who had the same name as me. 'Big Sal' was tall, blonde, beautiful and so friendly! I immediately fell in love with her - she could do the splits, she could decorate and paint murals and flowers on everything she found, she was the first person to tell me how babies come out of a mommy's tummy, and she taught me how to make mashed potatoes with carrots (which I still do to this day). I spent all my weekends with her and Shelly, Pete and 'Candy', going to the cinema, shopping, swimming, playing cards and eventually was allowed to babysit once I turned 12. Our relationship grew over the years from little sister/big sister to loving and close friends. Big Sal, I will always remember your laugh, your generosity, compassion and love. To Shelly, Pete, Candace and Rex, my deepest condolences to you all.
With my love forever, Little Sal
