My Alice my big sister. I will miss you so very much. You were everything to me. You bring me up when I was down. Advise me what I should do. I looked up to you as a little sister should. This hole in my heart will not close. You were taken too soon. I will look for you each day in all the little things and breathe you in as a sweet summer breeze. You will be in my heart until we meet again. I love love love you my beautiful sister
