“ *I fondly remember her dancing to the band at our July 4 party enjoying the night with Ken and Lisa listening to music and watching the fireworks show. She always put a smile on my face and put others first regardless of her personal needs. Sandy was a joy to be around and I will miss her.*

Thank you Jeff for sharing this. She always enjoyed spending time with you and your family. They liked that band so much we hired them to do the music for their Anniversary party where they danced the night away with friends and family. I think she gets her love of dancing from her Mother who was right out there on the dance floor with us.

“ *Our mother and I spent a week with Sandy sharing memories sitting on her back deck. Enjoying her back yard with all the birds and deer her husband Kenneth has worked so hard on their yard to make it so beautiful. Lots of good memories she will be greatly missed.*
