“ *I can't come up with just one way she was so special...I remember wanting to be just like her when I was a kid. And I still remember the day she first brought Chris to my mom and dad's house and I got to hold him. From that day on, he was "MY" Christopher and I loved going to her house to babysit. I remember taking trips with her and Uncle Bill and how much fun it was to watch her and my mom watching the Rams play! How worked up they got together...they fed off each other! Her laugh and smile and love for everyone was truly special and she will be missed very much. You were an angel on earth and now we have you watching over all of us! I love you Aunt Sandy!*

“ *I have many fond memories of Sandy. Spending the evening filling out wedding invitations for Grace and Chris’s wedding (did you hear that?) but the one I will cherish the most was at Graces open house at her salon in Eureka. Sandy and I sat outside on the brick wall for about an hour and talked about anything and everything. She was a beautiful woman and a joy to be around. Bill, Craig, Tommy, Chris - what a true blessing you had in Sandy. Mourn your loss but rejoice in her resurrection.*
