“ *My mom was a wonderful woman. She always put her kids first no matter the situation. She enjoyed life loved music. No matter at what age I could put on certain songs that would put a big smile on her face and she would get up to dance or sometimes dance in her chair. Always enjoyed having company over or to enjoy a few drinks watching the Cardinals play or a friendly game of poker. I have so many memories of my mom that I will cherish forever. I love you mom life will never be the same without you.*

“ I'm going to miss you dear friend. We shared our youth, our kids growing up and then our middle age and then, dare I say our old age. Life won't be the same without you! Rest in Peace dear Sandy!

“ Sandy was a sweet, loving and caring person. She was always there to listen when I needed to talk. I have a quilt that she made me many years ago and I will cherish it forever.
