“ Sara was a role model to me. I have always wanted to be a Godly woman and one only had to watch Sara to know what one looked like. I watched as she led the Golden Agers at Faith Community Church, and as she faithfully spearheaded a Christmas stocking event for those who needed a helping hand. There are so many examples of a servant being GOD's hands and feet serving. All of the innumerable Instances of love and grace inspired me over the years. I feel blessed to know her, to love her, and be loved by her.❤️ Enjoy Heaven, Sara.. you are missed here on earth. Love You....Diane Bruns

“ So many awesome memories of Sara. I've known her since I was a small child. She always had a smile and a hug. She LISTENED to me as a child and she gave the BEST hugs! I went all through Missionettes with her and loved her and Don. It's been a few years since I bought strawberries and she made me come in and sit down and catch up! Can't wait to see her again and catch up!
