“ I had the privilege of meeting Mr. Smith back in 2006 when I started working for Dr. D. I cared very much for him, and was always so glad to see his and Mrs. Smith's smile when they came in the door. I am so very thankful to have known him, and I know that he is in a special place with God. My thoughts and prayers are with you and your family at this difficult time. Every single time you left, you said "God loves you and we love you." My sentiments exactly.
