“ *Prayers for comfort and strength to all of Scot's loved ones. My husband and I both had the pleasure of working with Scot many years at ABB. He was always friendly with a fun quirky humor. He also worked on our very rural phone lines as an AT&T employee, so we touched base with him a few times after ABB shut down. We always looked forward to his letters in the Leader. Such a refreshing voice of reason during these crazy times. I know his passing will leave a huge hole in many hearts, we are all richer for having the blessing of knowing him. He will be missed.*

“ Brenda,

We can't even find the words for your loss. I know you and Scot were soul mates. Mike and I always were always glad to see you both and chat with you both. Mike and I always liked his letters to the Leader and looked forward to seeing them. I'm so glad we got to visit with both of you at Emma's Graduation party. Mike and I offer our sincere sympathy. If we can be of any help in any way please let us know. May you find comfort with your family and children and grandchildren. Love Mike and Cheryl Williams
