“ *So sorry about your loss. I used to live down the road from Scott on Sugar Creek. He used to walk over to the house and we would sit there for hours listening to records just talking about life. I don't have many friends by choice but I was always able to have a deep conversation with him. We always found a way to balance it out with humor though. I have wondered about him the past few years but had lost contact with him. Very sad to hear. Great guy. - Jon D*
