I know you both know what Sean meant to me. I am still struggling with this loss, because Sean was part of my family. I pray you both find comfort in knowing that he knew you two were always there for him. He loved you both beyond measure. He spoke of both of you nearly every day. You both are such amazing individuals, and just know he knew how much he was loved by you both. Thank you for sharing him with me. He made my world a brighter place. I miss him terribly. We will be forever connected through our love for Sean Eric Wills. May peace be with you both. Much love. Sincere, Tracy Mattin.
