Her garden and antiques were just a few of her favorite hobbies. She should be inspiration to all. Shannon's final resting place will be next to her late husband of 55 years, Orville McBroom. “ *We have lived for 33 years in the house that Shannon and Orville raised their family in and have been priveleged to call them neighbors. Shannon was always a friend, kind to our dogs who turned up on her porch, and never failed to call when she thought something was up or going on around our little part of Rivermont Ranch. She was strong, sharp, beautiful and kind. She was as sweet as could be. We will miss her.*
