“ I teach a Bible study at NHC. Kay and I became friends. She asked me to help her start the Memorial service there and I was glad to work with her on it. We had many talks and special moments together. She had a heart for people. And, loved the Lord. Kay invited people to come to my Bible study with her hoping to brighten their day by hearing the Word of God. I am blessed to know her. She was a special, bright, lady. My sympathy goes out to you all, her family. Suzanne Lovell

“ Dear Beth and family, I was sorry to hear of the loss of your mother. From what you have shared about her, she had shared much of her love of life with many. I know she will be missed here, but she is with her Lord now. May God blanket you all with His comfort and grace during this time.
