“ Rick, Beth, Ericka and Kayla, and PonyBird family: Thank you for watching over and being with Shawn as much as you were...Thank you for being at the hospital and going through hell this week. I could not bear to watch my little boy die. I saw that process happen to his body years ago and I know I could not bear it. We all handle life differently, and I could not do it. He is at peace and that is a reason to celebrate his life. FLY SHAWN...you got your wings. I am listening for bells. MOM

“ Shirleys son Joe was my first date. I didnt meet her until his funeral but I do remember her kindness and compassion as we sat and talked about Joe. I havent seen her all these years. We connected on facebook but never got the chance to talk. I have thought of her, John, and Anthony often and hearing of her passing really made me sad. My prayers to her family. May you rest in peace Shirley.
