“ *Sheila was truly one of the kindest people I've known. In so many ways she reminded me of my own mom, always thinking about other people and always with a fantastic smile on her face. While the world is a little dimmer with her not in it, Heaven gained a glorious angel.*

“ I spent many hours working with Sheila back in the day when her daughter, Amy, was a first grader. Amy and her classmates had two primary teachers that year. Sheila was always kind, caring, loving and generous with her time and talents with everyone. What a wonderful person! I was honored to call her my friend. She will always be remembered with love.
