“ Oh Shirley Bird - my heart is broken and I can't express enough how you will be so very missed. You always brought a smile with you everywhere you went. I can still see you with that head tilt and quirky smile as we talked about our families or reminiscing of the Reg Team days at Maritz. I'll miss our conversations, our dinners with the girls and the advice you would give me all these years. Prayers and hugs for your family and friends. I hope you know how many lives you touched. Rest easy my dear friend. Love you - Rachel, Jareb and the boys

“ Shirley was my best friend during our years in grade school. We both loved our horses and enjoyed riding together. Shirley was always smiling and very happy! Shirley and I loved her dad's rodeos! During the summer we would get together on Wednesdays at the community center and watch outdoor movies together. It was a carefree life and we all loved each other. Shirley made a lasting impression on me especially how much she cared for her friends, her family and her horses. Please accept my condolences! She will be missed. Sincerely, Beth Hemann

“ Aunt Shirley❤️ So so many memories! You are like my 2nd mom. All of our family fun times, vacations, swimming at your pool, it goes on and on. You have a heart of pure gold like no other. I can still hear your contagious laughter that always lit up the room and I miss it dearly. Love you so much Aunt Shirley❤️
