“ I always remembered your mom’s birthday and would call her up to wish her happy birthday. She was always so shocked I remembered. But I can remember she was hoping Brianna would be born on her birthday. I am sad I couldn’t remember the home phone number the past few years. She always enjoyed company and had yummy warm coffee ready. Shirley you will be missed. Hugs to the family.

“ Shirley always loved to talk about her children and grandchildren. When I would ask her about any of them her face would just light up and she would get this big smile on her face. She loved her family very much. And the way they all took such good care of her all the way through her illness that is family love. Prayers hugs and love. Bobby and Christine Almo

“ We use to visit each other and have coffee and talk. She always had a smile on her face. She really loved her family and loved them beyond life itself. She is going to be greatly missed by anyone that knew her. She was a very unforgettable person. Thoughts and prayers for the family as they travel this journey. Love you all.
