“ Sandy & April, I remember a lot of good times with your parents. We lived next door and would play cards. Once we all went to spend the night at a pay lake and fished all night. Every time someone caught a fish. Sonny would move to that spot. I love you both and am so sorry for your loss! Love, Aunt Pat

“ We have so many memories together. You were always there for me when no one else. You were always the one to talk to when I was feeling down. You were always finding a way to make me laugh. I remember about 2 months after having Josh I got the flu and you drove from cedar hill just to bring me medicine and make me a grilled cheese sandwich and you took Josh home with you so i could sleep. The boys talk about you atleast 4 times a day. I just keep waiting by the phone waiting for you to call and it hurts to know that I will never again get that phone call. You touched a lot of hearts and you will truly be missed by many. May you rest in piece grandpa until we see each other again. I will love you always.
