“ *I have so many funny memories of Steve. He kept me laughing most of the time. Even while he was in pain. One of my favorites memories was when in got his new riding lawn mower. He pulled it right up to the front door and hollered, "Woman, bring me a beer!" Needless to say I took the guy a beer. LOL!*

“ *He was the 6th Silkwood brother in our hearts and minds. The original "knuckle head" as our Grandpa would often call us, will be missed. We had become close again like when we were kids the last 10 years and for that memory I am grateful.*
