“ Wow!! I have so many memories of you from birth to now. I still can't believe that its true. I love you so much you will be so missed. I've got so many remember whens. I hope Heaven has a ton of pickles for you. I've cried since I've been told I'm in such denial. You were my indestructible nephew. I will always be waiting for you to come through my door. My arms will forever be empty. Thank God our last hug lasted longer and was a little tighter. I'm going to miss you so much my nephew an when I'm called home I'll bring the chocolate milk and chocolate donuts. So I'm not going to say good-bye I'm saying see you again one day. Love JOJO
