“ Sue, known to me as Ida Mae was my second cousin. I remember being at Aunt Effie's and Sue brushing my hair. I didn't realize she lived in Arnold. I lived in Arnold for 9 years and still own a home there. Wish I had kept up on the family. I stayed with Uncle Jim and Aunt Effie for part of my freshman year. I loved them.

“ Sue has always had a "Special" place in my heart. We were very close until Rich passed and she moved to Arnold. We didn't see each other as much after that. We mostly talked on phone when both of our lives went separate directions. RIP Sue and know that those of us that are left behind loved you very much. May God Bless you.

“ Sue was my dear sweet friend and neighbor. We became especially close while temporarily living at the Druary Inn in Arnold. We spent a lot of time dining together at the hotel. At that time she shared many stories with me about her experiences in Japan and Australia. I loved hearing those fascinating stories. During the two years following we spent time together sharing lunch dates and confiding in each other. She was always there for me with a listening ear. We spent a lot of time laughing together. We kind of looked after each other making sure the other was okay. Sue always let me know how much she adored her family. I will miss her greatly but know she is in a much better place. Love you always Sue.
