“ I took this picture of my dear friend Sue Mandl when we were going to Kirkwood high school. She was so much fun, we use to search our couch for change so we could drive the loop on Kirkwood road in search of cute guys from our school, we always enjoyed seeing everyone. One night she came over and we t.p.ed our neighbor Gil Copley, unfortunately it rained and the stool we put out to climb back in my bedroom window with kept sliding on the wet grass, I wound up having to wake up my dad to let us back in, got grounded for two weeks!! I'm so glad you found me on F.B. my dear old friend, will miss sending funny things back & forth, you will be sorely missed by family & friends, till we meet again, you pal Pat Andel, Sullivan
