“ *Aunt Sue meant the world to me. She was always my favorite. My aunt sue watched us as kids, and we always had the best time playing with our cousins. We used to try to sneak Debbie home with us. She would get in the back of my mom and dads station wagon and lay down so mom and dad couldn't see her. They would start to pull out of the driveway and Debbie and Tina and I would start laughing and mom would say ok you two what are you up to. Oh nothing mom. Busted!!!! Her ex-husband uncle Randy isedyo tell me how pretty I was because I had those big old brown eyes. It used to make me feel so special...
I love you so much aunt Sue and I'm gonna miss you so much!!!
Until we meet again, god please take good care of my very special Aunt Sue!❤️*

“ *What a beautiful lady inside and out. She loved her family 100% and they loved her back the same way. I feel blessed to have met her and shared laughs and tears with her, but both were sincere. Nothing fake about her. I know you will be smiling being with your dear loving son now. Rest in Peace My Dear Friend!*
