

Susan L. Harrison

February 8, 1948 - November 24, 2025

Susan Lowery Harrison, age 77, passed away peacefully on November 24, 2025. She was born on February 8, 1948, in Kansas City, Missouri, to Richard and Helen Hanson, who precede her in death. Susan is survived by her devoted husband, John Harrison; sister, Sharon Mannion; sister-in-law, Joan Ifland; brother-in-law, Jack Ifland, and their families.

Prior to moving back to the St. Louis area St. Louis several years ago, Sue enjoyed many years living in Los Angeles, where her social nature and warm personality flourished. She loved meeting people from all walks of life and was known for making friends wherever she went. She treasured close friendships, finding joy and purpose in the time she spent with loved ones.

Sue met the love of her life, John Harrison, at a gathering with mutual friends. After two years of dating, they married and went on to share a loving marriage of 58 years. Together they traveled widely, creating memories across the world. One of the most memorable chapters of their life together was the time they lived in Bavaria during John's military service—a period Sue spoke of often and fondly.

Sue had a deep love for animals, especially her beloved dogs, though a couple of cats shared her home over the years as well. She enjoyed caring for their home and tending thoughtfully to her flower gardens, holding a special

affection for red roses. She loved shopping and had an unmistakable sweet tooth—family and friends lovingly referred to her as a true "candy hound." Her fondness for the color red was well known, even expressed at one point through a vibrant red leather couch she adored.

Susan will be remembered for her gracious spirit, her kindness, and the genuine warmth she extended to others. She will be deeply missed and forever loved.
