“ My heart breaks to hear about Tammy's passing. My mind was immediately flooded with memories of all of the good times we shared. So many laughs and if I ever needed anything, she was there for me. She had the biggest heart! TC, you did good. You lived a life that touched so many people in such a positive way. I'm so glad our paths crossed on this journey. You will be missed.

My heart goes out to her family. Everyone knows, you were her world. Wishing you comfort in the days ahead.

“ TC, I can't believe you are gone. Your love for your family and friends was like no other. I will always cherish our "adventures" at GE! You always knew how to make us all laugh whether it was on one of our many lunch excursions or if it was telling us stories about the kids or your random 2:00 a.m. trips to Walmart. You will be greatly missed. RIP my sweet friend ❤️

“ TC...it's hard to imagine this world without you! Hearing of your passing has broken my heart. You were one of the most genuine kind hearted people I had the pleasure of knowing. You never judged others and would go out of your way to befriend people. Oh and your stories...oh the stories you would tell were so animated and hilarious! One thing that stood out was how deeply you loved your family always making sure Joe, Johnny and Heather were taken care of. You are loved by so many and will be missed so very much. Fly High Sweet TC,

Joe, Johnny and Heather-praying for you and your family during this very difficult time.

Tammy loved friendship and people in general. We shared cubical wall for 3 or 4 years at Rabo. No sooner had I set my stuff down I Hear "good Morning Sunshine. .I've got a joke for you:)" That wall didn't mean a lot though as we were always sharing learning with each other. She forced me to get out of my comfort zone and I could always bounce something off her be it serious, professional, personal or funny. Her laugh, smile, and spirit were contagious. When I moved to a different department she would catch me weekly on a bark to catch up. Despite her physical struggles she was always so positive. An angel we had here on this earth. Guess God needed her more. Prayers to the family and the friends she left behind. Rest in peace my friend
