“ Laura, Matt, and Joe ... I'm so sorry ! Terry was so loved by all of us who took care of her at Fiesers! I would visit her often after I left a year and half ago! I'm glad I was able to get her Carmeled Apolea to her this past October! I have certainly missed hearing her say “ Dawn Take me to Laura's”!! I pray you all find comfort in knowing how much she loves you all!!

“ Hello Coppedge Family, I had planned to attend Terry's memorial service, but it appears weather may prevent me for traveling that far. My husband and I would like to make a memorial donation in Terry's memory. Please call or text me when things have calmed, 636-459-5555.

God bless,

“Wow, Terry! She was my childhood friend. I've missed her so much over the years. Terry was my idol. My parents were very strict, so I lived my youth through stories of her daily escapades, she was my inner wild child. I remember well when Terry and her brothers went on strike for an increase in there allowance. They were parading out in the street with signs of fair labor, fair wage! Michael was riding on Larry's shoulders with a sign pinned to his diaper that said "ME TOO!" I remember the Coppedge teens had a dance in their basement and Terry invited me. I was thrilled, my first dance! Mr. & Mrs. Coppedge, (my sibs and I NEVER called them by their first names!...except Donnie), came in to show us how the kids danced in their day! I used to baby sit Laura Lynn & Matthew Scott and that is exactly what she called you. Terry was a huge part of my youth, I would have given a great deal to have know her now. God bless her brothers, kids & all her family.

“ Terry was responsible for so many smiles and laughs in my life...and a few awkward moments, as she was never afraid to say what was on her mind. ♡;) I have a lot of fond memories of our precious time spent together. Some of my favorite included swapping stories about our younger and wilder days, going to the bar and grill '026' on her birthday...and of course the most memorable in my mind, the night she "ran away" to '026' "to find [herself] a man". ;) I remember running around looking for her on a bad knee for what seemed like an eternity...praying to God she was somewhere safe. I distinctly remember the overwhelming feeling of relief when I found her safe and sound...and the conversation we had in that moment. Terry knew how to keep us on our toes and keep life interesting! I cherish the moments we spent late at night watching a little TV and just chit chatting. I remember how she lit up when talking about having visitors, especially her youngest grandbaby. Terry was one of a kind and will truly be missed. ♡♡♡ My sincere condolences to her family, friends and all who loved her.

“ Terry was always smiling, such a kind and funny soul when I would come to visit!! She was always so happy to see me. Knowing I was Lanie's sister who cuts her hair... haha..her hair definitely grew fast! But Each time we would talk about life and what's happening in it. And would love to hear about my babies including my sisters, want to see pictures, and then continue to talk about her babies and the rest of the family. My sister and her would FT me some times and every time she would ask when are you coming to cut my hair! Haha. So sweet. She was one of my favorites and Lanies too. Prayers hugs and kisses to the family. hope they find comfort in some of these messages. And knowing how many lives she touched. How much we loved her like family too .

The Coppedge family were our next door neighbors in the old neighborhood in Bel-Ridge. I remember Terry well and all of her brothers. We all spent a lot of time with each other and you never forget the kids you grew up with. I wish all of the family well and peace in this time of mourning. God Bless you all. Hershel (Butch) Lands
