“ I have so many good n funny memories of Terry. Once we were driving around Black River n we had a pack of 500 firecrackers n Debbie throughout a cigarette n all them firecrackers went off. Joe n I were in the back seat n Terry n Deb were in front. Debbie n Terry go out the doors n Joe went out the window n I was still in the car, the firecrackers were at my feet. I only got burn on my chest but did we have a mess in the car. LOL!!

Then Terry n I jumped off the bluff at Elephant Rock when we down there. Joe n Debbie wouldn't but old dumb asses Terry n I did. We had no idea how danger that was but we had Fun.

We went to stock car races, we did something every weekend till the BOYS went in the army. Everything changed. I will always remember the early days when we teenagers. So many memories from then to now. I will miss talking to him, we would come up with some funning subjects to talk about. Never a dull moment with Joey n Terry around.
