“ *Dearest Teresa, I love you! You was a bright light in many dark days in the lives of those you touched. I've missed you these many years of my madness in separation from my family and loved one's! We make many mistakes in life and learn from them, some slower than others (me), though you made few, we made up for your sweet and gentle touch throughout your entire life. I sent you messages through Crystal this past year and looked forward to seeing you and I'm truly sadden and heart broken, wanting you to know I'll kiss the girls when i see then, hug them and I'll keep you in my prayers always. Please give Grandma Grace a hug for me, tell Rodney i miss him always and i envy the laugh you'll no doubt bring forth when Ricky slides up to you and says, " Scratch'em " as he tickles your chin..... :-) Grrrrrrrr..... GOD Bless you always and forever, Little Bobby*
