“ Don was a very pleasant person to work with at Lincoln. He always had a smile on his face. He was so nice and friendly. I was very saddened to hear of his passing. I will pray for him and your family.

“ Hello,

I worked with Don at Lincoln and got to know him through our shared loved of horses. He would always give me advice from his years of expereince with training and raising horeses. I just want you to know that he was a very special person to me and many others here at Lincoln. When he came upstairs to the office he had many freinds that loved to just chat with him. We were very sad to hear that he passed away. I bet that in heaven God puts him in charge of working with horses.

I will pray that God gives you comfort and strength during this hard time of missing him.

“ I am very sorry for your loss. I am a co-worker of Don's from Lincoln Industrial. Don always had a ready smile for all of his co-worker's. He was a pleasure to work with. I always enjoyed talking with Don. He seemed to be an all around nice guy. Even though Don hasn't worked at Lincoln for awhile he was always thought of fondly. My thoughts and prayers are with your family during this difficult time.
