“ *We are so sad and sorry to hear about Tom's passing.. He was always so quick with a handshake and a hug. He also had an out of this world smile. No matter how you were feeling , his smile could make you feel better. We were happy to say he was our friend, but more like family really. He will be missed by so many people.Our hearts go out to his wife Mary and his whole family.*

*We love you all

We will miss you so much, Tom. You and Mary have been our friends forever. Your children and ours have been friends for years. Cookouts, camp outs and fishing weekends are but a few of our memories. Ten of us in a tent trying to sleep while children whisper and giggle as if it were noon. “Don't touch the ceiling of the tent, Dennis. It will leak from the rain”. Visits in Chicago, Florida and points between remind us of great times with great friends. I can close my eyes and hear your strong, gravely deep voice telling a story dotted with your laughter. So many memories. When I count my blessings, I count you twice! Forever in our hearts. Jim and Kitty Parsons
