“ *It's been more than a month since you left us, daddy! I miss you more than words can express. There is not only a hole in my heart, but in my soul as well. Oh, how many times I have longed to hear your advice over the last year and a half. My life gets more complicated by the day, so please hold me up. I know you were with me on the day of my accident; making sure I made it home to my babies. Thank you! Momma's heart is broken, but we talk about you daily. I've got her, don't worry. We finalized your headstone today. We love it, if you can say you love a headstone. It is very fitting. Seth misses you like crazy and talks about you always being in his heart. He tells Momma if she needs to see you, just look at him because he looks so much like you. Smart little boy for only 6 years old. I love you Daddy and I hope heaven is everything you hoped it would be and then some. Until we meet again! Love you, Shelly.*
