“ I grew up with Bill and attended school with him.

Bill was always a great guy and was friendly with everyone.

I still have a vivid memory of him and Chucky Mace jumping a ramp on a Honda 70 motorbike. All the way to the ramp Bill was yelling "Chucky"? NO!" Chuck stuck a perfect landing and we were all amazed and laughing as Bill proceeded to turn several shades of red after the jump.

Please accept my condolences on his passing.

“ I can not describe the loss I feel. Bill was my best friend and I found out about his death when I called his phone and David told me. I have spoke with some of you before and I just want to say my heart goes out to you. If it is alright with you I would like to share some of my stories. I know the great loss he felt of loosing Michael his mom and dad. I know he is happy with them.

“ We recently purchased a home in Cassville, MO and with the home we acquired four drawings of it in all 4 seasons....done in the 1970s....by Veda Black. Though we did not know her, her pictures of our home have been a part of it for over 40 years, and so has she.

“ To Steve's Family, I want to remind you of the good times that brought to every situation he was involved in. One of my favorite memories is from our times Coaching or Umpiring Hillsboro Little League. It was a cold April morning and we were at the player draft. I would stand up close to Steve & he would move away thinking he was in my way. I would continue to step closer until he asked. What are you doing? When I told him I was cold and he was blocking the wind, He broke into that laugh he was known for then he jokingly shoved me away.

May God Bless & Comfort You during this very difficult time.

“ I will forever cherish the memories, bringing tears and laughter. I remember the day you ask me to take care of Lightning, your dog, when you left to become a Marine. You had given me a part of you I could hold on to. I will forever love you and will miss you. My heart aches you are no longer here on earth, but rejoices in knowing you are at peace. Rest in Peace, Dearest brother. -"Sweet Pea"

“ *My deepest sympathy"s to the whole family. I will definitely miss him. I remember when he lived in Crystal City. He was always good to me when I would visit with Dawna. He was a great guy and I never minded helping him with his old blue explorer. It was cool just to hang with my then father-in-law. Even in the last few years he would ask me for my help on his jeep; and though he may have given me some money for my time , I did it more for the fact that I still considered him as my family. I'm sorry I didn"t get a chance to see him to say hello just one more time.*

Love you Virgil , Your "son-in-law" Troy Scheske

“ Veda was such a special lady. I loved going to visit my nana and papa because I would always get to go down the street and visit with Bob and Veda.

I have a couple of her paintings and will always treasure them.

“ *One of the sweetest Ladies I've ever known. Her smile and open arms on Sunday were always a pleasure for me. She will be missed by all who knew her.*

“ *Veda's was a life very well lived, and lived with kindness, gentleness, humor, and courage. I am honored to have known her, and will always consider her an inspiration. Facing conditions which would have reduced most people to depression and anger, Veda chose to continue living her life to the fullest, and all who were touched by her will always be the richer for it! I salute Mary Lou and her family for their unfaltering love and devotion to Veda, and I know Veda loved you all very dearly.*
