“ *To Barb, Bob, and Charlie, I consider it as one of the greatest priveleges in my life to have worked for Tom and all of you at TTR. Tom was more than a boss. He was a mentor and a respected friend. I called the shop to check in on all of you the other day and your night foreman informed me of Toms passing. I'm so sorry i wasnt there for you guys. You all were very much a part of my early life that i remember with affection whenever i think of you. Im sorry to have fallen out of touch.....I hope to remedy that. For now, please accept our sincerest belated condolences at Toms passing. To all of Toms family, , know that you all are in our prayers!*
