“ Tom was a wonderful human that touched so many here at Delta! We still talk about him playing tricks and making us laugh. Many years ago they upgraded the printer in our area at the Gravois building and Tom took it upon himself to add a sign to say that it was ‘voice activated’. I fell gracefully into his trap and was talking directly into the printer repeating ‘Print, print!’ until I heard snickers coming from around the corner. My heart goes out to the Price family, he will be forever missed and loved.
