“ Many hearts are broken with the passing of Tom Whalen into the Kingdom of God, including Roland and Bea Anderson and their entire family. Our grandson's wife, Janet Whalen Anderson has carried on the traditions of her own family and her Irish ancestors in all affairs.....one of those of most importance was constant love and remembering of her large extended family, who she really was - a "Whalen" who made the best of everything that happened. and keeping family connected. Like GOD "Our Father-in -Heaven" Tom Whalen always had wishes and prayers to GOD for the best outcomes for his extended family. He made his interest obvious with his presence and availability at all times - without judgment - just loving interest. Just in these few ways,...show how much Tom will be missed by his family and friends. Speaking of family and friends, there were many who welcomed Tom to God's Heaven and its joys and good health. Even Now we can call on him - to share our joy or ask his guidance....like GOD our heavenly father, he is "there for us". To the Whelan Family we share your mixed emotions.
Loving concern, Bea & Roland and Cynthia Anderson. 3./27/17

Tom was all heart. He would stop what he was doing and help those he considered friend and family. I was always annoyed when I would ride with him in his truck...he would come to a "complete"...100% stop...look both ways...and then move on!!! That would drive me nuts!!! I truly loved Tom!!! He was ALL country and devoted! I am very proud to call him my friend!! I am so, so very sorry for his pain! It is over now and I consider it part my loss!
