“ To the Smith family i express my deepest condolences in the loss of your beautiful and always loving daughter Sreeja Smith. We met when i was in college at jeffco and worked at imos together she always knew how to cheer me up with that show stopping smile of hers when i was mad or just plain ornery. She was a very dear friend who always put others before herself and words cannot express how much i truly miss her. RIP sree until i see you again in the loving embrace of our heavenly father and i say "its been awhile old friend and boy have we got some catching up to do"
