Along with numerous extended family and friends.

To know Tricia Fromm, is to know pure love and kindness. She loved with every fiber of her being, pouring her love into everyone around her. She was a family-oriented person with a warm, gentle, and selfless heart. Outside of taking care of her family, she enjoyed scrapbooking along with gardening, kayaking, and playing with her puppies. She loved the beauty of nature,

finding peace and solace within. The beach was her favorite spot to be, soaking in the sun and playing in the water, filling the air with laughter. If you knew Tricia, it did not take long for her to make you feel loved. There were no strangers in her home, everyone was welcome with open arms and all the love they would ever need. She would make it a point to make you smile and feel special. Her soul was gentle, and even in rest, we all still feel the warmth of her love. She now gets to do what she does best; watch over all her loved ones and keep us in her warm embrace. You will be missed Momma Fromm, we will carry on your legacy and spread the love you gave us all.

Tricia will be fondly remembered and dearly missed by all who knew and loved her. Visitation Tuesday, December 21, 2021 from 4:00 p.m. until the time of the service at 6:00 p.m. at Fellowship Baptist Church, High Ridge Missouri. “ Kenny and I enjoyed getting to know her. We will miss seeing her and visiting with her when she walked the dogs. Our hearts are very heavy. We are so very sorry and will keep the family in our thoughts and prayers.

“ You didn't have to know Trish very long to believe you've known her all her life. That is the strong impression and influence she had on me. I had only really worked with her a few months, but she was one of the most helpful, courteous, and genuinely kind person I'd ever known and work with. She will be sorely missed here at Jefferson College, but I know she is with her loved ones in a much better place. I'm glad to have known her for this short time and I'm looking forward to seeing her again one day.

“ Tricia was a lovely and gentle soul, beautiful inside and out. She lit up everyone she knew and every place she went. She and Mike raised an outstanding son and daughter who know they are loved and cherished. I will remember Tricia all the time, and especially at Christmas when I put up the adorable handmade snowman ornament she gave me in 2004 and which is one of my favorites.
