“ *Since the moment I met you, I just thought you were the most adorable. Beautiful smile never seemed to fade. I have often said I don't like children, but I can honestly say you were the exception for sure. You are truly missed.*

“ *From the moment I saw my god daughter, I fell completely in love. So perfect. So beautiful. Her smile made my heart melt. She was always so happy. She brought so much joy to my life. You were taken from us way too soon. I will never understand why. I do know that I cherish those four months we had with her. I love and miss you so much, beautiful angel.*
