“ Since the day I met Vern he just had a way about him that was so likeable. He was great friends with my family and soon we considered him part of our family, he attended almost every gathering and holiday. Vacations will never be the same we always knew Vern would lead the way on our cruises and we enjoyed every second we spent with him. He will be forever missed by us all. Until we meet again Vern watch over us all, we will always remember you.

“ Theres so many memories just one is hard to choose. But I think my favorite memory is at the auction. Id be running around busy and Vern would be sitting at a table, Id run past his table and blah blah go on and on about whatever was on my mind. One night i was busy as heck and i hurried past his table I cant remember what i said but i talk real fast. Someone ask jim, Vern what did she say? He said I have no idea I just nod my head if shes smiling i smile if she looks mad i just shake my head lol. Vern was a good guy with a way about him that wasnt always easy to understand. When I first met him honedntly i wasnt a fan of his at all but with time i got to know him and i appericiated the love he had for debbie. Its a sad sad ending for two people ( the only 2 people ive ever known) that could spend every minute together and still love each other. RIP Vern. You will be missed.
