“ I will always render the fun we use to have driving all around in Vickie's VW bug. Vickie always made people feel welcome and had that special gift of gab. She would tell such exciting stories as we sat around the kitchen table. It was awesome. I pray the love she so freely shared with us comforts those closest to her now and in the days to come. God bless you, Vickie. 💖 Always, Laura

“ My heart is breaking for you all! Vickie has been such a blessing to so many, for such a long time. I will be forever thankful that The Lord brought us together. Though we never met in person, she is my 'sister in Christ', dearly beloved and I know we will meet in Glory, as friends and sisters forever. You'll be so missed, sis! :(

Precious sissy ..I will remember you always. Through the bad times, you were always there to lean on, through the good, you were such an awesome sister in Christ to share good news with. I sure wish you were still here, but I know you're in such a better, more beautiful place. Condolences to the family.Amy,you had/have an awesome Mama to follow in her footsteps.

“ *I am in total shock and sadness. It was only last year she was here in California and we were out shopping. Only for her to return home and buy a six foot stuffed Caterpillar for my daughter and ship it here. When it arrived, we called to thank her and she laughed saying she spent more on shopping that the gift cost and what a hassle it was to find a box to fit it! Kindness and generosity is how I'll remember my aunt Vickie.*

Sis Vickie always shared her faith. Many hours on FB and on the phone she stirred my faith. The world has lost a wonderful woman of God.
