“ You and I have known each other over 50 years. And I still can't believe you did 1500 sit ups in gym class. It didn't matter we were 1900 miles apart, time would pass and we picked up where we left off. You are an incredible human being who always made everyone feel very special and deeply loved. I am so thankful for seeing you when we could and sharing life lessons. High School reunions, pool gatherings and kids meeting kids. You created a beautiful family with all the glitter and sparkles, inside and out. I am so grateful for our friendship. I love you Vicky and will always hold you close in my heart....your laughter keeps me smiling.

My deepest condolences and prayers to the entire family. With much love, xoxox Valerie

“ *Vicky was such a fun and nice person to talk to at work. I really enjoyed it when she was in the employee cafeteria at Meramec Bluffs. She always had something nice to say, and really seemed to enjoy making fancy tumblers with her daughter.*

God's Peace to your family Vicky!
