“ *Tony and I send our sympathy to all the family. I have known the Graff family since I was a kid. Vicky and I have been friends since grade school. I had many sleepovers in their family home in our young days. May Mr. Graff rest in peace and the family find comfort with other family members and friends. I will keep you all in my prayers.*

“ *My deepest thoughts and prayers to your family and friends. We are living examples of the values taught to us by our parents. I only met your father on a couple of occasions when I was much younger but I remember him as a person I could respect. May he rest in peace.* ”
