“ My deepest condolences for the family. Wanda was one of the nicest people I have ever met and she will be forever missed. I hope when the lord calls me home, Wanda is one of the first people I see, because she always made me feel at home.

“ Donna & Lloyd Collins,

I extend to you my deepest sympathy. May God comfort you and be with your entire family. Through this difficult time there will be ups and downs, you know that if you need anything I'm a phone call away. God works in mysterious ways, He will be with you through everything.

“ Donna, as you and your family go through this time of sorrow you know you are not alone. Each and every one of us is there in our hearts. Our family is all in prayer for your family and specifically for you. It is hardâ€¦ However, you know that mom has a new body, young and vital. She is seeing her mommy and daddy for the first time in years. She is there rejoicing with the other saints praising God and in her spare time telling everyone how proud she is of her daughter. Weâ€™ll all be here for you when you come back Kiddo.

“ Donna I'm so sorry about your mother. You and your family are in our prayers. Give hunter a great big hug. Rember pennys from heaven. You will find them and it will always mean your mom is watching out for you and saying I love you.
